

Remarks

This is in response to the Notice to File Missing Parts mailed on November 28, 2003. In the Notice, replacement drawings were required because of informalities noted in Figures 8, 12, and 17, as well as the referenced character height noted in Figure 3. The attached set of replacement drawings included with the Appendix herewith addresses all of the issues noted in the Notice. In addition, the specification has been amended to reference Figures 3A-3E, which replace Figure 3 as originally filed.

Favorable consideration of the application and a Notice of Allowance are respectfully requested. Please contact the undersigned attorney with any questions regarding this application.

Respectfully submitted,
